

**SURE**, you have a nice cafeteria, employee health benefits, employee gym memberships. And a ping pong table. **BUT** do you have a **HUDDLE ROOM?**

**You ask what's missing?** This: a small meeting room – technologically enhanced and capable of connecting with others far away -- so you and your team can **collaborate** with colleagues, clients, and distant offices. Instantly. Engagingly. And cost effectively. **You need a Huddle Room.**

*huddle room* (hūd'l roōm) n. - Technologically enhanced small meeting room, optimized for collaboration while minimizing your investment.
