

WHAT Lies Beyond Great Research? The Great Big World.

GLOBAL BROKERAGE. Our Firm, known for exceptional research, is also a valued Global Broker with an active trading desk that includes a highly responsive, full-service, Capital Markets team.

CAPITAL MARKETS. Whether you're looking to raise capital or buy debt instruments, employ Structured Products or gain access to C-Suite executives across the country, our Capital Markets group offers that access, as well as guidance.

STANDING OUT. We service clients in over 20 countries on 5 continents. Our global Macro Research teams analyze and forecast market and economic trends, both here and abroad.

AND WE BRING TO OUR TRADING DESK and financial offerings what the Firm has become consistently well known for: Exceptional customer care. Bedrock integrity. And demonstrated long-term thinking.

STRATEGAS. Reaching Out. Standing Out. Everywhere.
